

Junior Landcare Group

Information for volunteers

Thank you for taking an interest in joining and helping out with our Junior Landcare program. We hope that working with children will give them a greater appreciation for the natural world around them, the landscape and community as a whole.

About the Bowling Bookham Junior Landcare Group

Our group will predominantly working with the children at Bowling Public School. As a part of this activity we will be running casual afternoon sessions which may include, planting, maintaining gardens, sowing and maintaining seedlings, doing nature walks or any other activities which foster curiosity, understanding and care of our environment.

What time commitment is involved?

We intend to run casual sessions at the Bowling Public school (one-two hours) twice a term on the Thursdays of week 5 and 10. The dates for 2024 are below;

TERM 1	TERM 2	TERM 3	TERM 4
4 April	30 May 4 July	22 August 26 September	14 November 19 December

What do I need to do to get involved?

Register your interest

Register your interest with our Coordinator Sarah and you'll be added to our Junior Landcare email distribution list.

Working with Children Check

Because we are working with children we need to complete a free working with children check. This is a simple check with can be done through your NSW services app/ login.

It is free for community volunteers. It is a relatively quick process and you will need to have this in place before attending the sessions with the children.

[More information on a Working With Children Check and to Apply click here](#)

Bring your enthusiasm to our regular sessions. Join in as often as you like depending on your time.
