

Climate Ready Plant list for Murrumbateman, Bowning-Bookham and Yass Landcare Nurseries		
Type	Scientific name	Common name
<b>Habitat 1) Plants for grassy woodland and forest ('grassy woodland') on better soils and lower slopes</b>		
Eucalyptus	<a href="#">Eucalyptus albens</a>	White Box
	<a href="#">Eucalyptus blakelyi</a>	Blakely's Red Gum
	<a href="#">Eucalyptus bridgesiana</a>	Apple Box
	<a href="#">Eucalyptus melliodora</a>	Yellow Box
Other trees	<a href="#">Brachychiton populneus subsp. populneus</a>	Kurrajong
Acacia	<a href="#">Acacia deanei subsp. paucijuga</a>	Dean's Wattle
	<a href="#">Acacia decora</a>	Western Silver Wattle
	<a href="#">Acacia melanoxylon</a>	Blackwood
	<a href="#">Acacia ulicifolia var. browneii</a>	Prickly Moses
	<a href="#">Acacia verniflora</a>	Varnish Wattle
Other shrubs	<a href="#">Bursaria spinosa subsp. spinosa (also Habitats 2,3)</a>	Sweet Bursaria
	<a href="#">Dodonaea viscosa subsp. angustissima (also Habitats 2,3)</a>	Narrow-Leaf Hop Bush
	<a href="#">Indigofera australis (also Habitat 2)</a>	Australian Indigo
Flowers	<a href="#">Bulbine bulbosa</a>	Bulbine Lily
	<a href="#">Chrysocephalum apiculatum</a>	Yellow Button
	<a href="#">Hardenbergia violacea (also Habitat 2)</a>	Purple Coral Pea
	<a href="#">Xerochrysum viscosum (also Habitat 2)</a>	Sticky Everlasting
Grasses	<a href="#">Lomandra longifolia (also Habitats 2, 3)</a>	Spiny-Headed Mat Rush
<b>Habitat 2) Plants for dry sclerophyll forest ('dry forest') on poor soils, upper slopes and rocky ridges</b>		
Eucalyptus	<a href="#">Eucalyptus macrorhyncha subsp. macrorhyncha</a>	Red Stringybark
	<a href="#">Eucalyptus rossii</a>	Inland Scribbly Gum
	<a href="#">Eucalyptus sideroxylon subsp. sideroxylon (also Habitat 2)</a>	Mugga Ironbark
Other trees	<a href="#">Allocasuarina littoralis</a>	Black She-Oak
	<a href="#">Allocasuarina verticillata</a>	Drooping She-Oak
	<a href="#">Callitris endlicherii</a>	Black Cypress Pine
Acacia	<a href="#">Acacia buxifolia subsp. buxifolia</a>	Box-Leaf Wattle
	<a href="#">Acacia doratoxylon</a>	Spearwood
	<a href="#">Acacia implexa (also Habitat 1)</a>	Hickory Wattle
	<a href="#">Acacia paradoxa</a>	Kangaroo Thorn
Other shrubs	<a href="#">Cassinia longifolia</a>	Shiny Cassinia
	<a href="#">Daviesia mimosoides subsp. mimosoides</a>	Narrow-Leaf Bitter Pea
Flowers	<a href="#">Chrysocephalum semipapposum</a>	Clustered Everlasting Daisies
<b>Habitat 3) Plants for damp sites including streambanks, dams and depressions</b>		
Eucalyptus	<a href="#">Eucalyptus camaldulensis subsp. camaldenensis</a>	River Red Gum
Other Trees	<a href="#">Casuarina cunninghamiana</a>	River She Oak
Acacia	<a href="#">Acacia rubida (also Habitats 1,2)</a>	Red Stem Wattle
Other shrubs	<a href="#">Callistemon sieberi</a>	River Bottlebrush
	<a href="#">Daviesia genistifolia</a>	Broom Bitter Pea
	<a href="#">Kunzea ericoides</a>	Kunzea
Grasses	<a href="#">Carex appressa</a>	Tall Sedge
	<a href="#">Poa labillardieri</a>	River Tussock
